OF URBAN LIVING

FEATURED PRODUCT LINES

BUREAU is proud to carry the following product lines from acclaimed design studios and manufacturers around the world:

BLOMUS

This German design company harmonizes form and function to create sleek, modern products for everyday life. Blomus' extensive collection of stainless steel home and office accessories combine simplicity of function with the beauty of the material.

BOB'S YOUR UNCLE

"Bob's Your Uncle" is a British expression used to mean "everything is fine." Headquartered in Boston, Massachusetts, their clever collection of colorful office accessories

and greeting cards is created by designer husband-and-wife team Michele and Martin Yeeles.

COYUCHI

Made in Northern California, Coyuchi's luxurious bedding and towels are manufactured from certified organically grown cotton produced in India. Coyuchi has been recognized for its role in bolstering the production of organic cotton by paying premium prices to small-scale growers and encouraging organic practices that protect not only the environment, but the farmers, their families, and their communities from exposure to toxic chemicals.

DESIGN IDEAS

This modern housewares collection was started 25 years ago by a brother and sister with a million-dollar idea: a wire basket for toting toiletries from the bedroom to the bathroom in college dorms. Since

then, they have developed a full-range of functional, fashion-forward, and moderately priced home and office accessories to appeal to design and budget conscious consumers.

HYBRID-HOME

This unique collection of modern pillows and art prints is designed by San Francisco-based Dora Drimalas, a nationally recognized designer. Described as a "friendly approach to modernism," Ms.

Drimalas's wares incorporate her love of modern interiors with her graphic sensibility to create timeless accessories that warm up a room.

KNOCK-KNOCK

Operating out of loft studios in Venice, California, Knock-Knock was founded by Jen Bilik with the mission of creating interesting, smart, well-designed gift and stationery products. With a proudly distinct sensibility, Knock Knock believes that people are intelligent enough to appreciate wit, wordplay, and conceptual thinking. The result is a collection of clever cards and colorful notepads and kits that will add style and humor to your life.

NOT NEUTRAL

notNeutral is the creation of Rios Clementi Hale Studios, a Los Angeles-based multi-disciplinary firm specializing in architecture and urban design as well as product design. notNeutral's collection of bright, modern lifestyle products express individuality, confidence and style.

QUILT BABY

Quilt Baby's collection of colorful baby bedding & accessories offers comfort and design for the modern baby. Each item is designed and sewn by

mother of two, Jesseca Bellemare of Asheville, North Carolina, who creates each item with an eye to both style and practicality.

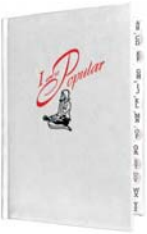

BUREAU

OF URBAN LIVING

PAMELA BARSKY

Midwestern by birth, Ms. Barsky designs and produces clever office and travel accessories from her studio in Los Angeles, California. Her retro designs are perfect for the modern woman with a full professional and social life.

RUSSEL + HAZEL

Based in Minneapolis, Russel + Hazel is committed to making the things we use each day complement and enhance our lives. Their vibrant, color-coordinated office accessories are made of

the highest quality materials with great attention to detail. From their old-school notebooks to their practical binders and photo boxes, each piece works within a larger system to organize your life with style.

SNOW & GRAHAM

This exquisite line of fine letterpressed notecard sets, greeting cards and invitations is created by Chicago's Snow & Graham studio.

SYRACUSE CHINA & LIBBEY GLASS

These renowned manufacturers of dinnerware and glassware are two of the leading tableware providers for the hospitality industry. Headquartered in Toledo, Ohio, Libbey has its roots in East Cambridge, Massachusetts, where the New England Glass Company was founded in 1818.

TABLECRAFT

Tablecraft has been making commercial quality products for restaurants and chefs for over 50 years. Now their durable, professional designs are available for the modern home chef. From sugar dispensers and oil & vinegar cruets, to all the implements needed to make a perfect martini, Tablecraft offers a wide assortment of modern classic food service staples for everyday life.

UMBRA

Led by designer and co-founder Paul Rowan, Umbra designs and manufactures casual, contemporary, and affordable design for the home. Their expansive collection includes products

for every room, including kitchenware, tabletop accessories, and decorative accents. Since its founding in 1979, Umbra has grown to become a global industry leader, with corporate offices in Buffalo, Toronto, Hong Kong, and The Netherlands.

URBAN AID

The Urban Aid collection was developed to take care of life's little surprises and adventures. Created by Karen Barnett, the philosophy behind these clever emergency kits is that the less time spent on the little stuff, the more time we have to live our lives to the fullest. Creatively packaged and sized for easy schlepping, these kits are must-haves for the modern urban woman.
